AND IS STRONG AGAINST

The Prisoner at the Bar. He Makes Some Grave Charges.

By Associated Press.

Frankfort, Ky., Sept. 14.—At the afternoon session of the Howard trial, Judge B. G. Williams made the opening statement for the prosecution. He claimed that the prosecution would show that prior to the assassination of Goebel, Howard was dispatched from Manchester, and that on his way to Frankfort he told various persons that "All Governor Taylor needed to win was a good shot; that he (Howard) was going to Frankfort to take a hand in the contest; that he told others Goebel was to be killed and Taylor would pardon the assassin; that Howard was in the executive office a few minutes before the shooting and jumped over a back fence of the capital ground a minute or so after the shooting; that he shaved off his mustache to disguise himself."

Judge Williams referred to the fact that boom friends of Howard are Sheriff Bev White and John G. White, whose brother, Geo. White, was killed by Tom Baker in the Clay county feud. That Tom Baker was assassinated in the same manner as Goebel and inferentially that the man who killed Baker also killed Goebel. Seventeen witnesses testified this afternoon.

"I DON'T CARE!"

Was Hanna's Plain Opinion of Sam Jones' Attitude.

By Associated Press.

Chicago, Ill., Sept. 14.—"I don't care whether Mayor Jones takes the stump or not. When he comes out for Bryan it means simply that McKinley has lost just one vote, and no more," said Senator Hanna when questioned concerning the declaration of Mayor Jones of Toledo, O., that while he would probably not run for Congress he would make speeches for Bryan and Stevenson.

"Jones says he will not announce himself for Congress. The Republican party of Ohio is amply able to carry the state, and Jones' own district, with him in the race or out of it. I see Bryan is squaring off to come at us with the race question, and I understand that he will attack on the disfranchisement line. Well, that will have little effect. Let him come to Ohio and talk with the colored people there and see what they think of the Republican party. This is the day of newspapers, and neither Bryan nor anybody else can shut the eyes of the press. The public is bound to get the truth."

Hanna will speak at Delphi, Ind., tomorrow. Among the early visitors to Hanna's headquarters was Comptroller Chas. G. Dawes, who held a lengthy conference with the Senator, and other national Republican leaders. Dawes was in conference with President McKinley immediately before leaving Washington and came for the purpose of laying before the National Committee the President's plan for the campaign. Senator Quarles, of Wisconsin, who spoke at Batavia, Illinois, tonight, was at National Republican headquarters today. The Senator will speak at Terre Haute tomorrow, in Vincennes Monday, and in Bedford, Indiana, Tuesday, after which he will go to Ohio.

AUSTIN, TEX., SEPT. 14.—DURING THE DAY GOVERNOR SAYRES RECEIVED QUITE A LARGE NUMBER OF SUBSCRIPTIONS, AND IT IS ESTIMATED THAT THE TOTAL SUBSCRIPTION LISTS TO DATE HERE AND AT GALVESTON WILL REACH \$1,300,000. TONIGHT THE GOVERNOR SAID: "AFTER A FULL CONFERENCE TODAY WITH THE AUTHORIZED COMMITTEE FROM GALVESTON, I AM MORE THAN CONVINCED THAT THE PEOPLE THERE WILL BE ABLE WITH THE ASSISTANCE ALREADY GIVEN, TO HANDLE THE SITUATION SUCCESSFULLY. THE CITY WILL CERTAINLY BE RELIEVED."

SITUATION AT GALVESTON.

Galveston, Tex., Sept. 14.—The first real attempt to clear away the great mass of debris piled along the beach front began today. Hundreds of men and boys were put to work. It is hoped that a vigorous prosecution of this work will lead to an early recovery of bodies still in the debris. That there are many, there is no shadow of doubt. Along the beach at different points the stench is absolutely sickening.

The exodus from the city was heavy today, and hundreds more who are eager to go, are unable to secure transportation. Along the bay front there are scores of families with dejected faces pleading to be taken from the stricken city, where, in spite of every effort to restore confidence, there is a universal feeling of depression. Shipping men say today that the damage to wharves is by no means as serious as at first supposed. More hopeful reports were received today touching water supply. The water company is placing men all along the mains plugging the broken places, and thereby assisting the flow. In serving some of its customers today it hopes to gradually increase the service. More effective measures were taken today to keep undesirable people off the island. Soldiers patrolled the water front and challenged all who could not show proper reason for their landing, or who were unwilling to work for the privilege of coming into town.

Assurance has been received from the railroads that they will do all in their power to reopen communication, and the present plan seems to be to concentrate all forces on the work of reconstruction of one bridge. Telegraph communication has been partially restored, the Western Union and Postal companies having reached the city with one wire. Large forces are working along the lines of both companies.

By Associated Press. Galveston, Tex., Sept. 14.—Crowds three or four times the capacity of the steamer that crosses to the mainland gather at the wharf. Women and children are served first. New York, Sept. 14.—The Republican campaign in New York was opened tonight by four great mass meetings. There were parades, music and great enthusiasm at all meetings.

At a meeting at Camp McKinley, the headquarters of the Republicans of the Thirty-first Assembly district, Cornelius N. Bliss was chairman, and Postmaster General Smith and Congressman Soren E. Payne were the speakers. At a meeting in Cooper Union, which was the largest, the three speakers were General Francis V. Green, President Schurman, of Cornell, and Ex-Governor Wise, of Virginia.

Senator Lodge was the principal speaker at the meeting at Durban Riding Academy. At the meeting at the hall above Harlem River several thousand were gathered, drawn by the announcement that Senator Jos. B. Foraker, of Ohio, was to speak. At a late hour word was received that Foraker was ill and confined to his bed at the Fifth Avenue Hotel. In his absence the chief speaker was Sen. Stewart L. Woodford, former Minister to Spain.

ROOSEVELT AT FARGO.

By Associated Press.

Fargo, N. D., Sept. 14.—Governor Roosevelt addressed two large and enthusiastic meetings here this evening. During the day he made brief speeches at Wilnot, Sisseton and Mortonville, Minn. At Sisseton on his return to his train from the opera house where he addressed a large audience, Governor Roosevelt observed a group of fifty or more Indians. He jumped out of the carriage, shook hands and distributed McKinley buttons among the crowd.

DIPLOMACY.

Still Holds Sway in the Chinese Situation. Lost Its Acuteness.

By Associated Press.

Washington, D. C., Sept. 14.—There were no developments in the Chinese negotiations today with which the public could be made acquainted, the whole matter being still in a diplomatic phase. GRAND SUCCESS

Was the Concert Given by Miss Helen Buell.

At the Auditorium last evening there was gathered a brilliant assemblage of Marietta's elite society, attracted by the musical recital given by Miss Helen Buell, who was assisted by a number of well known musicians.

For almost two hours the audience was delighted by a varied and pleasing program, faultlessly carried out by all of the performers. About three hundred people were in attendance last evening and were treated to such a musical program as has not been given in Marietta for some time.

The opening number on the program was a march composed by Professor Schmiedke and rendered by the Marietta orchestra. The piece of music is an excellent endorsement of Professor Schmiedke's ability as a musician and as a creator of melody.

The next number was a song entitled, "Ecstasy," by Miss Helen Buell. Miss Buell's fame as a sweet and accomplished singer extends from her Marietta home to London and the gay Parisian capital, and in both countries she has charmed cultured audiences and delighted musical critics. She has a pure voice of great range, volume, power and sweetness. All the graces which are necessary to the accomplished artist are hers in fullest measure, and contribute to make her songs perfect in expression and rendition. She kindly responded to the liberal applause accorded her with several charming numbers.

Mr. Harry Hart was in exceptionally good voice and filled the hall with his high sweet tenor. His interpretation was very good and drew forth several bursts of applause from the audience.

Miss Bernice Mason gave a very difficult violin solo, which was highly appreciated. Miss Mason is master of her instrument and handled it with skill, delicacy of touch and sympathy of interpretation.

The Marietta orchestra added to their rendition of several classical selections. They were applauded after finishing each selection and responded with several encores.

Mr. Chas. Bukey, of Parkersburg, and Miss Flora Mason, of this city, performed their parts as accompanists in a faultless manner.

Altogether the concert was a rare musical treat and will be remembered by those present as one of the best ever held in the city.

CAMPAIGN

Is Opened by the Ohio Democrats at Columbus.

By Associated Press.

Columbus, O., Sept. 14.—Ohio Democrats opened the campaign today with a meeting at Goodale Park, and in the evening at Goodale Auditorium. Bryan made speeches at both meetings. There was a large attendance of Democratic leaders from all parts of the state. Previous to the afternoon meeting, Bryan was tendered a reception at the Great Southern hotel, and was escorted to the Park by the state marching clubs, including the Duckworth Club, of Cincinnati. Col. Jas. Kilbourne, a manufacturer of prominence, presided and introduced the National candidate, saying that the latter had been nominated without aid and against the wishes of would-be bosses of the party. Bryan spoke for an hour and a quarter, and appeared in good condition. His audience numbered many thousands, who gave close attention as well as frequent cheers. The speech was a general review of the political field, and was evidently to set the pace for the campaign in the state. He began with a reference to general conditions, touching beautifully upon the stand taken in behalf of Democracy by Mayor Jones, of Toledo, and then launched into National affairs, declaring that he believed the Democratic ticket is entitled to the electoral vote of Ohio.
